

EXTENSION EDUCATOR

BEEF SYSTEMS (SHERIDAN COUNTY)
UNIVERSITY OF NEBRASKA

HIRING

Do you have the drive to help us with critical issues facing the beef industry? Can you be a strong regional expert and develop focused, comprehensive learning programs on topics such as planning resiliency to drought into grass and forage resources. University of Nebraska-Lincoln Extension is an organization that values individuals who excel, adapt easily, exhibit passion for helping others, and are excellent communicators. As a member of the UNL Extension team you will collaborate with research and extension faculty who are leaders in their field. You will work with high performing teams to create and deliver world class, innovative learning experiences that empower Nebraskans to improve their lives around critical issues.

We have an excellent opportunity for a full-time faculty position located in Rushville, Nebraska and serving northwest Nebraska. We want individuals who are self-directed and able to work in a flexible environment. The focus of this position will be the focus of this position will be Beef Systems with an emphasis on range management. This person will teach and coordinate Beef Systems programs regionally in a) improved profitability and sustainability; b) animal care to improve health, wellbeing, and product quality; c) enhanced resiliency of beef businesses; and d) expanded consumer and youth awareness of livestock systems and animal products.

Required Qualifications:

- Master's degree with one degree in animal or veterinary science, range management, agricultural economics with beef emphasis or other closely related field required. Master's degree must be completed by start date.
- Successful experience teaching in a formal or non-formal setting.
- Demonstrated ability to communicate (i.e. publications, presentations, web and social media).
